RE: Patrick Saunders v. NCO Financial Systems, Inc.
Case No. 1:12-cv-01750-BMC

Dear Judge Cogan:

Please be advised that I represent Plaintiff, Patrick Saunders ("Plaintiff"), in this action. On June 13, 2012, per Individual Rule III(A), Plaintiff submitted a letter requesting a pre-motion conference with the Court regarding Plaintiff's anticipated motion to strike affirmative defenses. (Doc. 17). As noted in Plaintiff's June 13, 2012 letter, the parties had unsuccessfully attempted to resolve the issue without Court intervention at that time. Subsequently, the parties have again conferred and amicably resolved all issues related to Plaintiff's June 13, 2012 letter. Defendant has agreed to withdraw the contested affirmative defenses rendering a motion to strike unnecessary. Accordingly, Plaintiff withdraws his June 13, 2012 letter request.

Thank you for your kind courtesies in this regard and please feel free to have any one of your staff contact me at the toll free phone number above with any questions or concerns regarding this request.

Best regards,

Dennis R. Kurz
